

# Forestry and Wildlife Field Day

Plan to attend the upcoming Forestry & Wildlife Field day on **Saturday, November 7th from 9:30 a.m. to 12:00 p.m.** on the Tom Hefner Farm in Metamora Township, Franklin County. Topics to be covered include: timber markets & harvesting, timber stand improvement (TSI), tree planting, plantation thinning, wildlife habitat improvements, cost share programs, protecting historic & cultural sites, and the Classified Forest & Wildlands program. A variety of professional speakers will be on hand to discuss these topics and answer questions.

**A DNR archaeologist will be available to identify artifacts, so bring a few with you!**

## **Directions:**

To reach the site, take SR 229 south of Metamora. Go approximately 1.5 miles. Turn east (left) on Haytown Hill Road and follow it for about 2 miles. Turn left on Pipe Creek Road and follow it for another mile to the intersection with Silver Creek Road. Turn left on Silver Creek and follow signs to the site.

For additional information, contact Jayson Waterman, DNR District Forester, at [jwaterman@dnr.in.gov](mailto:jwaterman@dnr.in.gov).
